RECTIFIERS

Helping You to Rebuild Tomorrow's World!

TERMS

CREDIT / PAYMENT TERMS

C.O.D. terms are cash or company check. Terms are C.O.D. until credit has been established by completing a credit application and being approved by WAGNER. An open account is Net 30 days from invoice date. Monthly statements will be mailed for your convenience.

Accounts exceeding 30 days are subject to 1.5% per month finance charge. Any account proceeding into 60 days past due status shall have all charge privileges suspended until account is paid in full, or at the discretion of management. Returned checks will be subject to a \$25.00 charge.

ORDER TERMS

Wagner Alternators & Supplies, Inc. reserves the right to accept any order or part thereof. **Orders under \$25 are subject to a \$5.00 special handling fee.**

SHIPPING TERMS

Merchandise is billed at the time of shipment. All prices are F.O.B., Chino, California, freight collect unless otherwise agreed in writing in advance by WAGNER. Orders are shipped via U.P.S., Federal Express, OnTrac or other common carriers unless otherwise specified at the time of order.

Shortages or incorrect merchandise must be reported within 10 days after receipt.

RETURNS

Any Return must be authorized in advance with a **RMA Number** and **must include** documentation of contents, original invoice number and reason for return. All boxes must have RMA number on outside of box. Returned merchandise may be subject to a 15% restocking charge and must be in the original box or package. **Unauthorized returns** are subject to 30% handling charge and/or return to customer.

LIMITED MANUFACTURER'S WARRANTY

Wagner's liability is limited to the repair, replacement or credit for the value of the product sold within one year of invoice date. If product is found to be defective, Wagner will not be responsible beyond the value of the defective piece, nor in any way be responsible for any damages or expenses caused by defective goods. Wagner is not responsible for any misuse of its products. Wagner will not be liable to replace any part which has been altered, defaced, modified, or treated in such a way the company finds unacceptable.

PRICING TERMS

Wagner Alternators & Supplies, Inc. will make every effort to keep its customers informed of any price changes. Wagner reserve the right to change prices without notice. From time to time, we may find it necessary to apply a surcharge occasionally to offset additional import costs. Any such charge will be noted on the invoice and we will do our best to inform the customer at the time the order is placed. All invoices reflect prices in effect at time of shipment.

Care is taken to ensure the accuracy of descriptions for each item, but Wagner assumes no responsibility for possible errors. **Permission to reproduce this catalog and/or contents is expressly denied.**

WAGNER NUMBERING SYSTEM

We have developed a simple yet efficient part numbering system that allows grouping of the electrical components by application (Alternator, Generator, or Starter), type of part (Rectifier, Brush, Solenoid, Etc.) and Manufacturer (Bosch, Lucas, Etc.).

EXAMPLE: W080-00H

The first letter signifies type of part:

W-Wagner Import Line

D-Delco

L-Leece Neville

N-Nikko

C- Chrysler

F-Ford

M-Motorola

P-Prestolite

The first two numerical digits represent the component classification:

ALTERNATOR

01-Alternator Covers

02-Bearings, Ball & Needle

03-Alternator Brushes

04-Diodes, Diode Trios

05-Pulleys

06-Rectifiers

07-Rotors

08-Int. Voltage Regulators

09-Ext. Voltage Regulators

10-Stators

11-Alternator Small Parts

12-Alternator CE Frames

13-Alternator DE Frame

14-Wire Harness/Repair Plugs

15-Brush Holders

16-Slip Rings

17-Ignition Modules

18-Grease/Paint/Supplies

19-Tools/Test Equipment

GENERATOR

26- Generator Armature

27-Generator Brushes

30-Gen CE Frame

31-Gen DE Frame

STARTER

40-Armatures

41-Starter Brushes

42-Bushings

45-Solenoids

46-Solenoid Caps

47-Starter Drives

48-Starter Small Parts

49-Starter CE Frame

50-Brush Holders

51-Housings

55-Testers

If a third digit shows, it represents the original Manufacturer in our Import line:

0 - Bosch

3 - Fiat, Magneti Marelli

6 - Motorola

1 - Lucas, Cav, Butec

4 - SEV

7 - Ducellier

2 - Paris Rhone, Valeo

5 - All Japanese

8 - Iskra

The final two numerical digits designate the specific identification number within each category. If the part number is not immediately followed by a letter, then it is an aftermarket replacement part.

Otherwise, one of the following may be used:

"N" Denotes Original OEM Part

"H" Denotes Hybrid

"S" Denotes Sold in Set

Original Manufacturer names and numbers are used for reference purposes only.
