# WAGNER

## ***VALEO ALTERNATORS & STARTERS***

***Wagner Alternators & Supplies, Inc.***

Mailing Address: PO Box 2680 Chino Hills CA 91709  
Corporate Office: 13352 Elliot Ave Chino CA 91710  
Telephone: (800) 345-5927 (909) 465-1950 Fax: (909) 465-5032

**Web Site: [www.wagneralt.com](http://www.wagneralt.com)**

# **TERMS**

## **CREDIT / PAYMENT TERMS**

C.O.D. terms are cash or company check. Terms are C.O.D. until credit has been established by completing a credit application and being approved by WAGNER. An open account is Net 30 days from invoice date. Monthly statements will be mailed for your convenience.

Accounts exceeding 30 days are subject to 1.5% per month finance charge. Any account proceeding into 60 days past due status shall have all charge privileges suspended until account is paid in full, or at the discretion of management. Returned checks will be subject to a \$25.00 charge.

## **ORDER TERMS**

Wagner Alternators & Supplies, Inc. reserves the right to accept any order or part thereof. **Orders under \$25 are subject to a \$2.50 special handling fee.**

## **SHIPPING TERMS**

Merchandise is billed at the time of shipment. All prices are F.O.B., Chino, California, freight collect unless otherwise agreed in writing in advance by WAGNER. Orders are shipped via U.P.S., Federal Express, OnTrac or other common carriers unless otherwise specified at the time of order.

**Shortages or incorrect merchandise must be reported within 10 days after receipt.**

## **RETURNS**

**Any Return must be authorized in advance** with a **RMA Number** and **must include** documentation of contents, original invoice number and reason for return. All boxes must have RMA number on outside of box. Returned merchandise may be subject to a 15% restocking charge and must be in the original box or package. **Unauthorized returns** are subject to 30% handling charge and/or return to customer.

## **LIMITED MANUFACTURER'S WARRANTY**

Wagner's liability is limited to the repair, replacement or credit for the value of the product sold within one year of invoice date. If product is found to be defective, Wagner will not be responsible beyond the value of the defective piece, nor in any way be responsible for any damages or expenses caused by defective goods. Wagner is not responsible for any misuse of its products. Wagner will not be liable to replace any part which has been altered, defaced, modified, or treated in such a way the company finds unacceptable.

## **PRICING TERMS**

Wagner Alternators & Supplies, Inc. will make every effort to keep its customers informed of any price changes. Wagner reserve the right to change prices without notice. From time to time, we may find it necessary to apply a surcharge occasionally to offset additional import costs. Any such charge will be noted on the invoice and we will do our best to inform the customer at the time the order is placed. All invoices reflect prices in effect at time of shipment.

Care is taken to ensure the accuracy of descriptions for each item, but Wagner assumes no responsibility for possible errors. **Permission to reproduce this catalog and/or contents is expressly denied.**

## WAGNER NUMBERING SYSTEM

We have developed a simple yet efficient part numbering system that allows grouping of the foreign electrical components by application (Alternator, Generator, or Starter), type of part (Rectifier, Brush, Solenoid, Etc.) and Manufacturer (Bosch, Lucas, Etc.).

**EXAMPLE:** W080-00H

The first letter signifies type of part:

W-Wagner Import Line	C- Chrysler
D-Delco	F-Ford
L-Leece Neville	M-Motorola
N-Nikko	P-Prestolite

The first two numerical digits represent the component classification:

### ALTERNATOR

01-Covers  
02-Bearings, Ball & Needle  
03-Brushes  
04-Diodes, Diode Trios  
05-Pulleys  
06-Rectifiers  
07-Rotors  
08-Int. Voltage Regulators  
09-Ext. Voltage Regulators  
10-Stators  
11-Alternator Small Parts  
12-Alternator CE Frames  
13-Alternator DE Frame  
14-Wire Harness/Repair Plugs  
15-Brush Holders  
16-Slip Rings

18-Grease/Paint/Supplies  
19-Tools/Test Equipment

### GENERATOR

27-Brushes

### STARTER

40-Armatures  
41-Brushes  
42-Bushings  
45-Solenoids  
46-Solenoid Caps  
47-Starter Drives  
48-Starter Small Parts  
50-Brush Holders  
51-Housings

If a third digit shows, it represents the original Manufacturer in our Import line:

0 - Bosch	3 - Fiat, Magneti Marelli	6 - Motorola
1 - Lucas, Cav, Butec	4 - SEV	7 - Ducellier
2 - Paris Rhone, Valeo	5 - All Japanese	8 - Iskra

The final two numerical digits designate the specific identification number within each category. If the part number is not immediately followed by a letter, then it is an aftermarket replacement part. Otherwise, one of the following may be used:

"N" Denotes Original OEM Part      "H" Denotes Hybrid  
"S" Denotes Sold in Set

Original Manufacturer names and numbers are used for reference purposes only.
